# TRANSPORTATION

To get to Denmark, you can either fly to Copenhagen Airport, Billund, Aarhus or Aalborg. We recommend you that you check the train schedule before you book your train ticket, especially if you land on Copenhagen Airport.

Once you land in Denmark, you have to take the train to arrive to **"Hurup Thy st."** which is the closest train station to the project venue. Once you get there, we'll pick you up by car.

We **strongly recommend** that you buy your train ticket online at least 4-5 weeks in advance. This is because you'll get a much better price than if you book it a few days before your trip. For example, a last-minute train ticket from Copenhagen to Hurup Thy costs around 60 EUR (one-way), compared to less than 25 EUR if you book it well in advance.

Train tickets can be booked here: [www.dsb.dk](http://www.dsb.dk)

If your age is between 16-25 y.o. you can get a further discount from the original price. Make sure you select "Ung 16-25" ticket type.

**IMPORTANT:** when you book your train ticket, remember to book also a seat! This is mandatory in Denmark, as it not allowed to travel without seat because of the corona situation. It is called "Pladsbillet" and you have to select it when you enter your itinerary details.

*Note: if you land on Copenhagen Airport, make sure you buy your train ticket with the start point "Copenhagen Airport" and not "Copenhagen H", which is the central station.*

## *Feeling like visiting around?*

In case you want to spend extra days in Denmark, feel free to do so. You are allowed to spend up to **6 extra days** outside the project dates. However, you'll have to cover the expenses for food and accommodation yourself.

If you get selected to participate in this training course, please fill in the “**Registration Form**” below by simply clicking on it.

**Deadline:** 24.08.2020

Only for selected participants!

## FINANCIAL

Accommodation, meals and travel costs will be covered for all participants. However, the upper limit for the travel budget varies for each country, as outlined above.

Although it is not mandatory, we strongly advise you to have **medical insurance** covering emergencies. You never know what might happen during your stay. Medical services are very expensive in Denmark.

As a general rule, participants are requested to keep all tickets, invoices and **boarding passes** in order to be eligible for refunding. We strongly recommend that you check-in online for your flights and get your boarding passes in PDF format. In order to receive the travel reimbursement, please refer to your sending organization for further details.

However, the team leader from each organization has the obligation to fulfill the following steps:

- ✓ **Step 1.** Team leader gathers ALL the travel documents from its national team, electronically. These include: **boarding passes**, local bus/train tickets and any other relevant receipts.
- ✓ **Step 2.** Team leader uploads ALL the travel documents within the Google Drive folder corresponding to its own country.

Please do not send us any travel documents via email, facebook, whatsapp, etc.

In order to get your travel costs reimbursed, please contact your sending organization. They are solely responsible for the refund process.
